

Parent Agreement

As the parent of the following children, _____
I acknowledge that I have read, understand, and agree to all the information presented to me, and have viewed the orientation video provided by the Tribe. I understand that the Boys & Girls Club (BGC) guidelines for participation will be very different due to COVID-19. I agree to abide by all guidelines as stated in the handouts and the orientation video. I also understand that because this is a very fluid situation that additional guidelines may need to be enacted quickly, and at times, the change to these guidelines may not be communicated to me prior to implementation. I understand that every action taken throughout this program is in place to keep my child and my community as safe as possible.

I understand an inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that may lead to severe illness and death. By voluntarily sending my child(ren) to the the BGC, I understand that I, on behalf of my child(ren), voluntarily assume all risks related to exposure to COVID-19.

I further agree that if I, or anyone in my household, develops symptoms of COVID-19 or develops any other illness, I will not send my child(ren) to the BGC, but will seek medical care. If my child or anyone in my household tests positive for COVID-19, I will not send my child(ren) to BGC and will inform the BGC Director so that those who have been in my child's presence can be tested for COVID-19 also.

I understand that if I fail to disclose a positive COVID-19 test for my child or anyone residing in my household my child may be removed from the BGC.
