

Hutton Scholars

The Hutton Junior Fisheries Biology Program is a paid summer internship and mentoring program for high school juniors and seniors, and is sponsored by the American Fisheries Society (AFS). Their mission is to stimulate interest in careers in fisheries science and management among groups of underrepresented in the fisheries professions.

Selected students known as Hutton Scholars, are matched and mentored by a fisheries professional to enjoy an 8-week hands-on fisheries science summer experience in a marine and/or freshwater setting.

Hutton Scholars:

- Receive a \$4000 scholarship award
- Learn about the importance of healthy aquatic systems
- Participate in resource conservation and management projects
- Gain hands-on work experience out in the field and lab
- Learn about career opportunities in the field and receive resources on course study

Apply online for Summer 2018 at <http://hutton.fisheries.org>. The application deadline is February 18th, 2018.
