

# Michael Giannulis Grant

The **Mike Giannulis** financial grant is a noble initiative by him, who is a business owner and a marketing expert with a gracious duty to assist financially disadvantaged students in America, besieged to shell out their expensive college fees via the **Mike Giannulis** Grant program. The cash prize money would be given to the best student who pens an exceptional essay with clarity, knowledge, and innovation.

**Mike Giannulis** is conversant about the very expensive advanced education fees in the United States of America and so, he comes up with the great idea **Mike Giannulis** financial grant program. It is an objective to come to the assistance of deprived students in the US so that they can shell out the fee for their higher degree course from a reputed college or university in the US.

**Mike** knows that the college expenses in the US are past the range of poor-income group, who want to enroll for an advanced college course or university course. Nevertheless, advanced education is the foundation of developing a triumphant career that will help these students to manage a highly paid job in the country. This is where the **Mike Giannulis** grant program comes to the picture to assist poor US students in financial suffering.

**Mike Giannulis** is quite aware of the fact that spending on exorbitant college or university tuition fees is not feasible for financially deprived students hailing from poor families or backgrounds, and therefore the **Mike Giannulis** Grant initiative.

The candidates from less rich backgrounds are forced to take expensive education loans and find it hard or impossible to pay back the amount borrowed unlike their peers from affluent backgrounds. **Mike Giannulis** Grant was started for commendable students in the US so that they're not required to repay the borrowed money, which is one-time monetary help or aid for students who manage to pen an outstanding essay on the topic, "**Scaling Your Business – Six Stages of It and How to Succeed?**"

The **Mike Giannulis** Grant program is to aid the disadvantaged students looking to pursue advanced education in the United States. Mike is aware that the fees in a private college or university offering four-year courses are very high and may cost students \$34,740. Again, the public universities will charge in-state students about \$9,970 and out-of-state candidates will require making a payment of \$25,620. The yearly tuition fee hikes are approx 2.4 percent in private colleges and 3.2 percent in public colleges in the US.

As advanced college education fees are ever-increasing, **Mike Giannulis** is financial aid for candidates enrolling for advanced courses or higher degrees. The **Mike Giannulis** Grant, a program by **Mike**, offers a cash prize amount of \$1,000 to the most talented and brilliant essay writer.
