

# A New Interdisciplinary Bachelor's Degree Program Is Being Offered in Our Area

---

University of South Alabama and Alabama Southern Community College are working together to provide to provide a new Bachelor's degree program in Interdisciplinary Studies. The program will be taught on the Alabama Southern Community College Campus in Monroeville.

The benefits of the new Interdisciplinary Studies Program are:

- Affordable tuition from an accredited state university
- Convenient courses offered in a variety of formats, including face-to-face, online, and a blended format with some face-to-face and online work.
- Maximum credit for prior coursework
- An individualized program of study that is built around your own career goals
- The first courses begin in August.

A meeting is scheduled to introduce the new program at the Monroeville campus Monday, July 8, 2013 at 2:30 pm-4:00pm. The meeting will be held in the Administration Building, Room 119. Another meeting is scheduled at 6:00 pm-7:30 pm in Room 114 of the Administration Building.
