

ALABAMA CONNECTIONS ACADEMY

FREE ONLINE PUBLIC SCHOOL

Provided by Limestone County, Alabama

Alabama Connections Academy provides students a with high-quality online learning experience. The program has an award –winning curriculum and will provide a personalized learning program designed to give your child the knowledge, skills, and confidence to excel in college, career, and life. The teachers are certified. Field trips, clubs, and activities are included in the program. Enrollment is now open for students K-12 grades. As a public school, there are no fees or tuition to attend and all students are required to take the same state assessments as traditional public school students.

Advanced learners can take Gifted and Talented courses and work at their own pace. The students who have fallen behind are provided specialized classes to help them succeed. There will be an online Info Session on June 12, 2017 at 12:00PM. Go to their web site AlabamaConnectionsAcademy.com and click on ALCAEvents. You can also request a free Program Guide by calling (888) 816-5730.
