AIGC IS UNVEILING THEIR ONLINE STUDENT RESOURCE CENTER!

Our new resource covers topics such as:

- The College Advantage
- Preparing for College
- Affording College
- College Life
- Beyond College

“This resource page guides students from the very first steps of how to search and pick the right college for them to how to search and apply for scholarships to help fund their college journey. It goes even further and provides tips and best practices when it comes to moving and living on campus.”

- Michael Bates, AIGC Scholar & Academic Advisor
