### SREB-STATE DOCTORAL SCHOLARS PROGRAM

**Increasing Faculty Diversity** More than one-third of America's college students are people of color. But racial and ethnic minorities make up only small fractions of college faculty. Nationwide, about 5 percent of faculty are African-American, about 3 percent are Hispanic and about 1 percent are Native American. *The SREB-State Doctoral Scholars Program is working to change that.* <https://www.sreb.org/overview/sreb-state-doctoral-scholars-program>
