### **Build the confidence you need to pass the GED test.**

See exactly what you need to study and what to expect on test day.

### **Questions just like the ones on the real test.**

The GED Ready is written and designed by the creators of the actual exam. No other practice test is as perfectly aligned.

### **The only practice test that tells you how you will do.**

When you finish the GED Ready practice test, you will receive an indicator of how likely you are to pass the real thing.

**Likely to Pass (145-200).** You are likely to pass, schedule right away!

**Too Close to Call (134-144).** You are almost ready, just a little more practice.

**Not Likely to Pass (100-133).** You will want to spend more time preparing. Save time by focusing only on what you need to learn.

### **Save time on GED prep with the custom study plan.**

Use the custom study plan with your preferred study tool to spend time specifically on areas you need to improve. It even points you to exact chapters and pages to save time.
