The annual [Generation Indigenous Survey](#) is our way of learning what Native youth think about the challenges, strengths, and resources in their communities. The survey takes about [15 minutes](#) to complete and is open to self-identifying Indigenous youth between the ages of 18 and 24 years old. Youth who participate in [Part 1 and 2](#) of the survey are eligible to be randomly selected to receive a prize from Nike N7. Click [here](#) to learn more.

## TAKE THE SURVEY

Our hope is that the data we collect help Native youth and tribal nations advocate for resources to transform their communities. We're excited to share what we learn with you!

Please join us in [sharing this survey](#) with Native youth, schools and youth-serving organizations in your community. Should you have any questions, please email

[cnayinfo@aspeninst.org](mailto:cnayinfo@aspeninst.org) or (202) 736-3577.

With Gratitude,  
Team CNAY
