

Glotzer & Leib's Scholarship Fund

Glotzer & Leib is a personal injury law firm serving accident victims in Southern California. We believe our mission to empower Californians goes beyond helping after an accident. Education empowers everyone. That's why we've launched the *Glotzer & Leib Personal Injury Scholarship Fund*.

We're proud to support recipients by helping them cover college-related expenses. The winner(s) will receive a check for \$1000. We will be offering this scholarship bi-annually.

ELIGIBILITY

This scholarship is open to any student currently enrolled in an accredited college or university in the United States. This includes students that have been accepted and have committed to attend a specific college or university next semester.

If your essay is selected, we will first call the college or university to verify your status. We want to ensure these funds help a deserving scholar further their education.

You will receive a confirmation email that we've received your application.

Winner(s) will be contacted via phone and then announced September 20th and January 20th on [our Facebook page](#).

AWARD

- The \$1000 check will be made payable directly to the awardee for use towards school related expenses / tuition (*Receipts may be requested*)

DEADLINE

Your complete application must be received using the form below by **September 15** and **January 15** of each year.

DETAILS

Submit ALL of the following using the form below:

- Resume
- 600 to 1000 word essay on the Assigned Topic (See below)
- Academic Transcript
- College or University Letter of Acceptance (Not required if you provide current college transcripts.)

ESSAY TOPIC

Reflect on your personal experiences in life. What challenges or adversity have you experienced? How did you overcome these obstacles, and what advice would you give to someone else facing similar circumstances?

SCHOLARSHIP APPLICATION

Do not call or contact our law firm directly about the scholarship. Only applications submitted electronically through the form below will be considered.
