

Does the Special Education System Have You Feeling Lost and Confused?

**The Education Department can help!
We are proud to offer a new service to the Tribal Community.**

Ms. Lauren Reid has joined our team as our Exceptional Student Advocate. Lauren is here to help you navigate the special education system. She can assist with understanding your child's IEP and help ensure that accommodations and modifications are being provided based on your student's IEP.

She's available to meet with parents and other service providers and can help explain the process for receiving special education services.

Lauren is here to help you fight for the services your child deserves and is entitled to receive!
