HOW TO APPLY

When you are a single mother, you often do things a little differently as you support yourself, your child, and your loved ones. For this scholarship application, we want to hear how you make it work. If you are a single mother in school, how do you juggle caring for your little one with pursuing a degree and everything else you do? How do you make ends meet financially? Have you thought about dropping out? What keeps you motivated to complete your degree? What do you find most challenging about the experience? What do you find most rewarding about the experience? What are your favorite moments with your little one?

If you are the child or loved one of a single mother, how has this changed your life? What is your relationship to them? How does having a single mother or being close to a single mother affect your day-to-day and the way you think about your future?

We also want to hear about your dreams. Where do you see yourself in the future? What is your dream career? What are you doing right now to get there? How would winning the scholarship help you achieve your goals?

To apply, submit an essay of 500-1000 words in the form below sharing your story based on the questions above. Applications will be reviewed with impact in mind. We are looking for applicants with tremendous passion and drive for big dreams, where winning the scholarship would bring them meaningfully closer to achieving their goals.

When is the scholarship application deadline?

The scholarship is awarded twice a year. The two application deadlines are June 30th and December 31st. One high school winner and one college winner will be selected for each application period.

How will application information be used?

We take student confidentiality seriously. We will never disclose or distribute any information you submit as part of your application, and will only use your contact information to get in touch to discuss your application. If you win the scholarship, we will ask to publish details of your story on the Huggable site, but you will have the chance to review and approve everything related to you before it gets published, and can choose to not share your story publicly if you wish.

What is the scholarship prize?

The scholarship consists of a \$2,000 (for college winners) or \$1,000 (for high school winners) award and a year's worth of Huggable baby formula for your little one. We will work with you to find the right formula for your child. If you are not currently a mother, we will either let you defer the year of formula until later when you are ready to start building a family, or let you donate it to a friend or loved one who could use it now.

When will the winner be chosen and how will they be notified?

The winner will be notified by email 2 weeks before the announcement date. Applications will be reviewed with impact in mind. We are looking for applicants with tremendous passion and drive for big dreams, where winning the scholarship would bring them meaningfully closer to achieving their goals.

How will the scholarship prize be paid?

The prize check will be sent to the scholarship winner's college institution in their name and in the name of their institution (depending on the school's requirements). Winners will also receive instructions via email for ordering a year's worth of free baby formula from Huggable.

What if I'm not currently a mother and don't need a year of free formula right now?

No problem! Just let us know when you win the scholarship. Depending on what you want to do, we'll either let you defer the year of formula until later when you're ready to start building a family, or let you donate it to a friend or loved one who could use it now.

How will my application be verified?

Before the scholarship is awarded, the winner will be required to provide a copy of their college transcript as proof of their enrollment. High school winners will be asked to provide proof of their college acceptance.

How can I get in touch with questions?
