

****NEW FIXED PROMOTIONAL PRICING AVAILABLE****

- The National Indian Education Association (NIEA) and University of Phoenix have partnered to offer special promotional pricing for tribal students attending the University of Phoenix.
- Students must begin their program on or after October 7, 2018 and includes all new students, alumni or those who have been out of attendance from UOPX for more than 365 days.
- Tuition and promotional pricing is FIXED for the length of your program.
- You **MUST** mention the NIEA promotion at the time of registration to receive special pricing.

Qualified applicants:

Any person affiliated with a Native American, Alaskan Native, and Native Hawaiian community, tribe or business enterprise. This includes registered members and their family, those with native decent but are not registered, non-native employees of companies owned by the tribe, and those affiliated with tribes who do not provide funding for educational programs. **No proof of registration or CIB card is required!**

Dedicated services that help our tribal students succeed include:

- Tribal specialists available your entire program – registration through graduation
 - Minimize the overwhelming feeling of attending a larger university
 - One-on-one help applying for tribal funding and external scholarships
 - No charge assistance to help with:
 - Time management for academic success
 - Navigating the college process and online classroom
 - Tutors and resources to aid with writing and math
 - Online Library
 - Pre and post-start workshops and tutorials
 - 20 hours of available technical support daily – 7 days a week.
- Individualized proactive academic success strategy
- One five/six week class at a time is considered full-time enrollment
- Lowered and fixed tuition costs as well as potential partnership discounts
- Career Services and Guidance available from day one and remains available after graduation
