

Virtual Student Federal Service
Now Accepting Applications

The U.S. Department of State is currently accepting applications for the [Virtual Student Federal Service \(VSFS\)](#).

The Virtual Student Federal Service is the largest virtual internship program in the world! This year we will offer 3,000 positions with 55 federal agencies. VSFS offers unique mentoring and exposure to job opportunities within the U.S. government.

Each year, applications are open to U.S. college students during the entire month of July on [Learn more](#) about the projects offered for 2019 through 2020. To [USAJOBS](#), create an account, build a resume, write a statement of interest, and upload a transcript.

Students play an important role in moving the government forward from analog to digital. There's something for everyone: graphic design, research, mapping, videography, history, analysis, marketing, community management, writing, calculation, policy planning, app development, and more!

eInterns should expect to spend ten hours a week on their project from September through May. This is unpaid, volunteer work, but eInterns make connections that make a difference, gain valuable experience, and sometimes get course credit. All applicants must be U.S. citizens in student status at a university in the U.S. or abroad. VSFS is open to undergrad through PhD candidates taking classes full or part-time, in-person or on-line.
