

DO YOU KNOW ANYONE ON THIS WHEREABOUTS UNKNOWN LIST FOR THE COBELL SETTLEMENT?

May 1, 2014

The Legal Department received the following Whereabouts Unknown List (WUL) from David Smith and Bill Dorris of the law firm Kilpatrick Townsend & Stockton LLP, who has requested assistance from the Tribe to identify names that may be Poarch Creek members. Their following article provides a history leading up to the class action settlement and how you may participate in it.

Kilpatrick Townsend & Stockton LLP, class counsel in the *Cobell v. Jewell* (formerly *Cobell v. Salazar*) lawsuit, is seeking to locate members of the Poarch Band of Creek Indians entitled to participate in the settlement of that lawsuit. The *Cobell* case was filed in 1996, settled in December 2009, was approved by Congress in December 2010, and received final court approval in November 2012. The total settlement, \$3.5 billion, is currently the largest class action settlement against the federal government.

The *Cobell* case resolves certain claims relating to mismanagement of individual Indian money ("IIM") accounts and individual trust assets by the federal government. There are approximately 500,000 individuals who are eligible to participate in this settlement. This includes principally individuals who had IIM accounts between approximately 1985 and September 30, 2009 and individuals who owned trust or restricted land as of September 30, 2009.

The Department of Interior provided the Claims Administrator for the *Cobell* settlement, the Garden City Group, information it had regarding the individuals who may be entitled to participate in the settlement. However, that information is not always accurate or complete. In particular, Garden City Group has over 100,000 individuals who may be entitled to a payment under the settlement but for whom they have no contact information. The Class Counsel wants to make sure that everyone who is entitled to participate in the settlement has the opportunity to do so.

Attached are the names of potential *Cobell* class members who are identified by the Department of Interior (DOI) as members of the Poarch Band of Creek Indians and for whom there are no addresses in Interior's records. We encourage anyone who sees his or her name, or the name of a friend or family member, on this list to call the Garden City Group at 866-591-2958. In addition, if the individual listed has passed away, but you are an heir to that individual, please let the Garden City Group know that as well.

If you have any further questions about the settlement, you can also contact Class Counsel by phone at 866-383-6554 or by email at: beneficiaryline@kilpatricktownsend.com

Please note that the Legal Department had independently tried to navigate the identification process with the Garden City Group, Trust Beneficiary Call Center, and the Regional BIA Office for a few Tribal Member names; but have encountered difficulties in obtaining the required Individual Indian Money Account No. (IIM#) for the verification on the Whereabouts Unknown List (WUL). With that in mind, Legal is attempting to create internal and streamline guidelines that may assist tribal members in completing the verification process with the Garden City Group and/or securing a court order to appoint a personal representative for estates.

In the meantime, if you have questions or know anyone on the list and wish to have the Legal Department to assist you, please contact Carolyn M. White, Legislative Assistant, at the Legal Department (251) 368-9136 Ext. 2532. Leave a message with your name and a contact phone number so that you can be reached, also including the person identified, their date of birth, and whether or not they are deceased.

Lori M. Stinson,
Attorney General
