

AN EDUCATION SUCCESS STORY

Are you interested in participating in the Education Success Story Series? These articles feature Tribal Member and First Generation students who have completed their educational journey with the aid of the McGhee-Tullis Tuition Assistance Program or the First Generation Tuition Assistance Program.

If you would be interested in participating in this series of articles, please complete the questionnaire and return to: Annie Nowak, Prevention Coordinator (251) 368-9136 x 2022 anowak@pci-nsn.gov

Your complete name and contact information:

Where did you go to school?

What degree did you earn?

What is your complete educational background?

What are your goals now that you have graduated?

How did Tribal Educational funding help you reach your educational goals?

What were some challenges that you faced along the way?

Who helped you most during your educational journey?

How was your experience working towards your degree as an adult different?

What are/were your educational goals and how did the funding from the Tribe make those goals possible?

What advice would you give students who are currently working towards a degree and may be struggling?

Anyone special that you would like to thank for your success?

Anything else?
