Office of Trust Services'

INTERNSHIP PROGRAM

Make a Positive Difference in BIA and for
the Tribal Communities We Serve

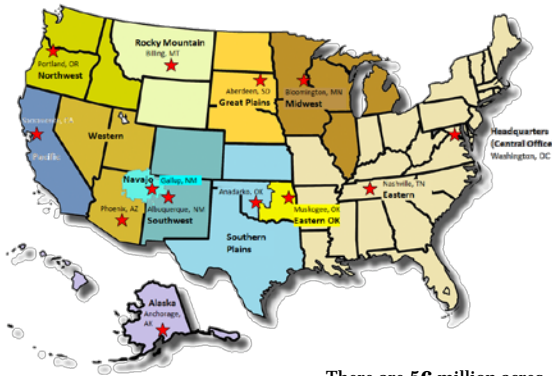

Careers for
Native American &
Alaska Native Students

September 1, 2016

Our Organization

The Bureau of Indian Affairs (BIA), Office of Trust Services' (OTS), is committed to serving Tribal communities and their members by ensuring the activities associated with management and protection of trust and restricted lands; natural resources; forestry and wildland fire management; irrigation, power and safety of dams; and real estate services are improving tribal government infrastructures and communities, along with other components of long term sustainable development investments to improve the quality of life for their tribal members

There are **56** million acres of trust lands and **45** million acres of land held by Native Alaskan state-chartered corporations.

- Head Quarters
 - 12 Regional Offices
 - 107 – Agencies/Field Offices
 - 223 - Duty Locations
- As 2013 and does not include Office of Justice Services

The OTS has the following 7 Divisions:

- Natural Resources (Agriculture and Rangeland Management)
- Forestry and Wildland Fire Management
- Environmental and Cultural Resources
- Probate and Special Projects
- Land Titles and Records
- Water and Power
- Real Estate Services

Fast Fact: By the year 2025, 75% of the workforce will be millennials.

Scientific, Technical, Engineering, and Mathematics (STEM)

The BIA has an unprecedented outreach initiative to target, attract and recruit American Indian and Alaskan Natives into professional, critical, and hard-to-fill occupations in scientific, engineering, mathematics, and natural resources disciplines.

BIA's Occupational Demographics

Top 3 Professions Per Category

Technical: Forestry Technician, Miscellaneous Clerk and Assistant, and Engineering Technical

Professional: Natural Resources Management, Forestry, and Engineering

Administrative: Realty, Criminal Investigating, Miscellaneous Management and Program Analyst
Other White Collar: Police, Correctional Officer, and Various Student Trainee Occupations

The Pathways Internship Program main purpose is to recruit, hire, develop, and retain students and recent graduates. This consolidated Student Temporary Employment Program (STEP) and Student Career Experience Program (SCEP) into one program and is largely modeled after SCEP. 5 CFR part 362

Pathways Internships

The OTS programs offers **paid** internships for emerging leaders who are seeking degrees in natural resources management, forestry and other related environmental and biological science fields. This Program not only offers students paid employment, while they continue their education, but also gives them valuable and unique work experiences. We offer rotational summer assignments within different programs and work environments, where they can train and job shadow with industry professionals.

Under the OTS Pathways program, there are two types of Internships.

- Annual Year Round (Career-Seasonal / Excepted Indefinite). Appointment duration is upon graduation.
- Traditional Summer Employment. Appointment normally is NTE 1 year or Term NTE 4 years.

Program Benefits (Career Conditional and temporary appointments that are more than one year)

- Up to \$5,000 Tuition/education subsistence *
- Paid Summer Employment – related to academic field of study, beginning \$12-13.68 per hour,
- Travel and Rotational summer assignments,
- Students are recruited nationally across Indian Country,
- Do not have to have prior work experience,
- Mentoring, training and career development opportunities,
- Flexible schedules,
- Vacation, Sick and Holiday Pay,
- Life Insurance, Flexible Spending Accounts, Health Benefits, and Retirement, and
- Potential for non-competitive placement after graduation into a permanent professional entry-level BIA or tribal position.

**Not all internships offer tuition support, some internships are for summer employment only*
