

# Pursue Your MBA with a 43% TUITION GRANT at AIU®

## American InterContinental University and Poarch Band of Creek Indians Educational Alliance

We've entered into an educational alliance with American InterContinental University, to offer you flexible online degree programs that are designed to help meet the needs of today's marketplace.

AIU's MBA programs are designed to help working professionals get the in-depth business knowledge they want to take the next step forward. Taught by industry specialists who blend theory with real-world applications, our flexible online programs devote more courses to your field of interest, on average, than at other similar schools.
