SHP Scholarships

Go to BSmart www.uab.edu/bsmart to apply

Lettie Pate Whitehead Foundation Scholarship

This generous grant is for women in the Southeast U.S. pursuing health professions education. You must demonstrate financial need to qualify.

Matthew F. McNulty, Jr. Health Services Emergency Loan

Didactic and clinical phases of study are difficult so we provide low-interest loans to students in the professional phase of their program if they need emergency financial assistance.

Sandra Dunning Huechtker Endowed Memorial Award

This award is for students admitted or enrolled in a baccalaureate or graduate program in the School of Health Professions. Applicants should demonstrate academic excellence and financial need.

Ethel M. and Jessie D. Smith Endowed Nursing and Allied Health Scholarship

This endowment provides scholarships for both the School of Health Professions and School of Nursing. SHP applicants must be admitted to or enrolled in a SHP baccalaureate program and be a resident of the state of Alabama at the time of enrollment.
