

Dear Parents,

It's once again that time of year to start getting our after school bus routes ready for the 2020-2021 school year. We all know that this pandemic has created many obstacles and a new normal for all of us. We would like for you to complete this form so that we can begin planning for afternoon pickup. We will need to collect the below information from you and once our process has been determined you will be notified if your child qualifies for transportation services and we can take your payment at that time. Please know that your child (ren)'s safety is our top priority. We live in a fluid and ever changing environment so please be patient with us as we work on these transportation services.

Please let us know what grade and school your child will be attending. If you are awaiting an acceptance letter from a new school, please let me know so I can tentatively place them on the pick-up list. This will give us a jump start in deciding which bus and driver each route needs.

Student(s) Name: _____

Schools(s) Attending: _____

Student(s) Grade: _____

There is a transportation fee of \$50.00 per family each school year. Once your child has been contacted and placed on a route you will need to pay this fee. The fee must be paid by the first day of school in order for your child (ren) to ride. If your child (ren) is transported by an Escambia County Alabama bus, you do NOT have a transportation fee.

If your child (ren) is a Tribal Member or First Generation and eligible for the Extracurricular Reimbursement Program through the Education Department; would you like your transportation fee paid by this program? Yes/No.

If yes, what child's account would you like it taken from? _____

Please return this form to Kim Flurnoy, Transportation Specialist, at the Poarch Creek Community Center (PCCC) or by email at kflurnoy@pci-nsn.gov, mail to 5811 Jack Springs Road, Atmore, AL 36502, or left in the drop box at the front of the PCCC by Friday, July 17, 2020 at 5:00p.m. If you have any questions, feel free to contact Kim at 251-368-9136, extension 2044.
