

## Boys & Girls Club Membership Registration for 2021

When: July 1<sup>st</sup> – 30<sup>st</sup>

Cost: \$25 membership fee

Registration will take place via internet application.

<https://www.visioncps.net/form/WRForm.asp?OrgUnit=1878/1n>

The month of July will be BGC registration. Beginning August 1<sup>st</sup> we will only admit students based on the availability in each classroom.

**If capacity becomes an issue we will follow Tribal preference for enrollment.**

Please complete the online application and submit. We will contact you when your child has been verified and approved. If your child is a renewing member and a Tribal member, First generation, Second Generation, or member of another Tribe your child should be verified quickly. All new members, employee children, and those living in a Tribal household will need to be **re-verified completely** with documentation that verifies your status, before you will be contacted with membership acceptance.

All new members must attend a mandatory orientation meeting.

When contacted you will come to the BGC, pay your \$25.00 membership dues and receive your 2021 Policy and Procedure Manual.

**Your child's membership will be active from August 1, 2021 to August 1, 2022.**

**For questions call Krystie Jackson at (251) 368-9136 Ex. 2237**

Registration for transportation will be sent out separately during this time. A \$50.00 fee per family as well as a signed bus route form is required before riding. If capacity becomes an issue, we will follow Tribal preference for the bus routes.

For any transportation questions, please contact Kim Flurnoy at (251) 368-9136 Ex. 2044.
