

We Have Moved!

The Education Department, Library, and Fred L. McGhee Early Learning Center has officially moved to the new **Poarch Creek Community Center** located at **517 Martin Road, Atmore, AL**. All contact information remains the same. If you need assistance locating us during this transition, just give us a call at (251) 368-9136 x 2021.

The Education Department is very thankful for this awesome building, it will allow our programs to expand and be more effective and efficient.

1-23-18 Only:

*We still have many books that will not be moved to the new library, so we are giving them away to the public. The books are located in Building 300 (the old Library). As of now the building is locked, but we will **open today only from 3-5PM** so that you may browse through and get any books you want. After today we will dispose of them. Please be aware we cannot give away anything other than the books.*
