

Grain-Fed Calf Pilot Program

Perdido Rivers Farms (PRF), with support of the Tribal Council, has started a pilot program to provide grain-fed beef to Tribal Members and the public.

PRF will assume all cost relating to the care, feeding, and processing of calves. Calves should be ready for processing in March or April of 2018.

Grain-Fed Calves

\$2.00 per lb (live weight)

1,100 lbs. average weight per calf

**Tuesday, January 30, 2018
Last Day To Order Beef**

Quarter-Half-Whole Available

Contact John English, PRF Manager, at (251) 368-0826 or (251) 253-5902 if you have questions or need more information.

The participation and success of this pilot program will determine if program will be available in the future.
